

Home Energy Improvement Program

Description:

LADWP's new Home Energy Improvement Program (HEIP) offers free energy efficient upgrades for residential customers and their families, designed to reduce their energy bills by making their homes more energy efficient.

Through the program, an assessment of a customer's home will be performed by one of our trained technicians to identify the most appropriate and effective improvements available.

The program builds upon the success of a grant-funded home weatherization program, which was instituted by LADWP for a limited period.

Benefits:

- 🏠 Reduced utility costs
- 🏠 Increased comfort
- 🏠 Reduced maintenance costs
- 🏠 Healthier and safer indoor environment

Qualifications

- 🏠 Applicants must be an LADWP residential customer
- 🏠 Program is on a first-come, first-served basis, so ACT NOW!

How to Apply

Customers must complete an application and a detailed survey, which are posted online at www.ladwp.com/heip.

For renters, the owner/manager must also sign the application allowing a customer to participate in the program, and approve all work to be performed.
